

Pathway Financial Education Pro Bono Small Business Clinic

Running a business comes with tough questions and you shouldn't have to figure it all out alone. The Pro Bono Small Business Clinic connects you with professionals who can help. In free 30-minute virtual sessions, you'll get expert advice tailored to your business needs in areas like finance, legal, marketing, and more.

Who This Is For

This clinic is for small business owners and entrepreneurs who are building, growing, or facing new challenges. Whether you're just getting started, trying to make sense of a specific issue, or looking for guidance you can trust, the clinic offers a simple way to connect with a professional and get support tailored to your needs all at no cost.

How the Process Works

-  **Register online** - Fill out a quick form where you'll share some basic information about your business and select the area where you need support (like legal, accounting, HR, etc.).
-  **Meet with a Pathway team member** - Before your consultation, you'll have a short intake call with someone from our team. This helps us understand your needs and make sure you're matched with the right professional.
-  **Book your session** - After your intake, you'll get a scheduling link to choose a 30-minute time slot with the professional who can best support your goals. All sessions are held virtually.
-  **Attend your one-on-one consultation** - Meet with your matched professional to ask your questions, get advice, and talk through solutions for your business.

What You Can Get Help With

Support is available in areas like:
